4264 Martindale Rd  
Gaylord, MI 49735

Dear Friends,

It's time again for the Fleming Farm annual pumpkin harvest! Many of you have been attending our harvest over the past decades, and you are again invited to join us. *All activities are outdoors or within a barn. We encourage everyone to comply with any applicable MDHHS order that may be in place during your visit.*

## Activities

Each harvest begins with a wagon ride to the pumpkin patch where you can pick your own pumpkin to take home for Halloween. The wagon returns to the barn for donut snacks and apple cider (pasteurized). The barn contains farm animals to feed and pet, including goats, sheep, calf, rabbit, pigs and an alpaca! Children are also free to play in the small hay maze in the barn.

## Cost

The price for each pumpkin harvest admission is \$8 per person, including parents; \$6 per person for groups of 20 or more. The corn maze is \$6 per person, or \$12 per person for those doing both the patch and maze. Checks should be payable to Fleming Shaff Acres LLC.

## Weather and Facilities

The harvest must go on, rain or shine! The animals, maze, and picnic tables are enclosed in the barn, and the wagons can be enclosed with tarps. We have running water for drinking and washing hands, as well as restroom facilities.

## Time

The harvest takes between 60 and 90 minutes. You are welcome to bring a sack lunch and use our picnic tables if you attend during lunch time.
